KRX Wisdom

PRODUCT CONFIGURATIONS & SPECIFICATIONS

LT-108-WD-SV6LA80

SIZE

W681*D340*H1997/26

* Square aluminum alloy frame;
* Luminaire light effi ciency: approx.85LM/W;
* UGR: <17;
* LED light source, color tolerance SDCM<3;
* Microwave sensor with light balance automatically switches the working and leisure states of the lamps;
* Color temperature standard: 4000K;
* Touch Dimmer Switches;

LT-108-WD-SH6LA80

SIZE

W681*D340*H1997/26

* Square aluminum alloy frame;
* Luminaire light effi ciency: approx.85LM/W;
* UGR: <17;
* LED light source, color tolerance SDCM<3;
* Microwave sensor with light balance automatically switches the working and leisure states of the lamps;
* Color temperature standard: 4000K;
* Touch Dimmer Switches(Upper and Lower Split Contro);

LT-108-WD-SV7LA80

SIZE

W681*D340*H1997/26

* Square aluminum alloy frame;
* Luminaire light effi ciency: approx.85LM/W;
* UGR: <17;
* LED light source, color tolerance SDCM<3;
* Microwave sensor with light balance automati switches the working and leisure states of the la
* Color temperature standard: 4000K;
* Touch Dimmer Switches(for direct and indirect light sepa

LT-108-WD-SE7LA80

SIZE

W681*D340*H1997/26

* Square aluminum alloy frame;
* Luminaire light effi ciency: approx.85LM/W;
* UGR: <17;
* LED light source, color tolerance SDCM<3;
* Microwave sensor with light balance automatically switches the working and leisure states of the lamps;
* Color temperature standard: 4000K;
* With motion and daylight sensors;
* Touch Dimmer Switches(for direct and indirect light separately);

LT-108-SP-LV6LA80

SIZE

W681*D340*H1997/26

* Aluminum alloy frame;
* Luminaire light effi ciency: approx.85LM/W;
* UGR: <17;
* LED light source, color tolerance SDCM<3;
* Microwave sensor with light balance automatically switches the working and leisure states of the lamps;
* Color temperature standard: 4000K;
* Touch Dimmer Switches

LT-108-WD-SV7LA80

SIZE

W681*D340*H1997/26

* Aluminum alloy frame;
* Luminaire light effi ciency: approx.85LM/W;
* UGR: <17;
* LED light source, color tolerance SDCM<3;
* Microwave sensor with light balance automati switches the working and leisure states of the la
* Color temperature standard: 4000K;
* Touch Dimmer Switches;
